Step 4 (Optional), Sharing Information with Other Programs

For the following programs, we must have your permission to share your information. Please <u>circle</u> any program or benefit from the list below that you want to receive information from this application. Completing this section will not change whether your children are eligibility for free or reduced-price meals.

After School Care, Clubs, Field Trips, School Fees, Athletics, Uniforms, Edukits (school supplies), Summer Programs, Academic Resources

The **Richard B. Russell National School Lunch Act** requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the adult household member who signs the application. The last four digits of the social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.
