

Instruction for students taking the **ASVAB** test

This week:

Become familiar with what is on the test:

<https://www.asvabprogram.com/parents-test>

March 24th :

- Get a good night's sleep Monday, March 23rd and have breakfast on Tuesday morning.
- Tuesday, March 24th Arrive at 7:30 am and report to room 103.
- The test will begin at 7:45 am and will last until 11:05 am.
- You will have time to go to your locker after the test.
- You may bring a snack, mints, and water for breaks.
- The military will not be able to contact you for recruitment after taking the test.
- Your teachers will be informed of your participation in the testing. They will give you appropriate directions for the classes you will miss while taking the test.
- Test results will come back in early April, you will receive the results during a special Lyceum.
- There is no cost for this testing, it is paid for by the government.
- Your parents have given permission for you to participate in this test.
- There are copies of the sample test in the counselor's office.
