### Optional Workout #3: Squat mobility NEW and IMPROVED: (10-15 minutes)

Looking over the week 1 packets I have noticed that a lot of you have made a goal out of improving your resting squat. I have made a short video that will instruct you on a mobility routine similar to the one described last week but expanded and developed. That video is on google classroom under the Packet Week 7 topic.

Before doing this mobility routine it is not necessary, but would be beneficial to warm up and loosen up your body a bit. Nothing specific is necessary, but a good warmup routine might look something:

- 1. 1 minute of light running
- 2. 10-20 jumping jacks
- 3. A few downdogs and updogs
- 4. 5 pushups
- 5. 5 burpees
- 6. 10 squats
