

# Guide to Changing Your Zoom Name — METHOD 1

Using a provided link, join from your browser rather than from the application.

## OVERVIEW

**STEP 1:** Find the link provided by your teacher under “Classwork” in Google Classroom. Click on the link.

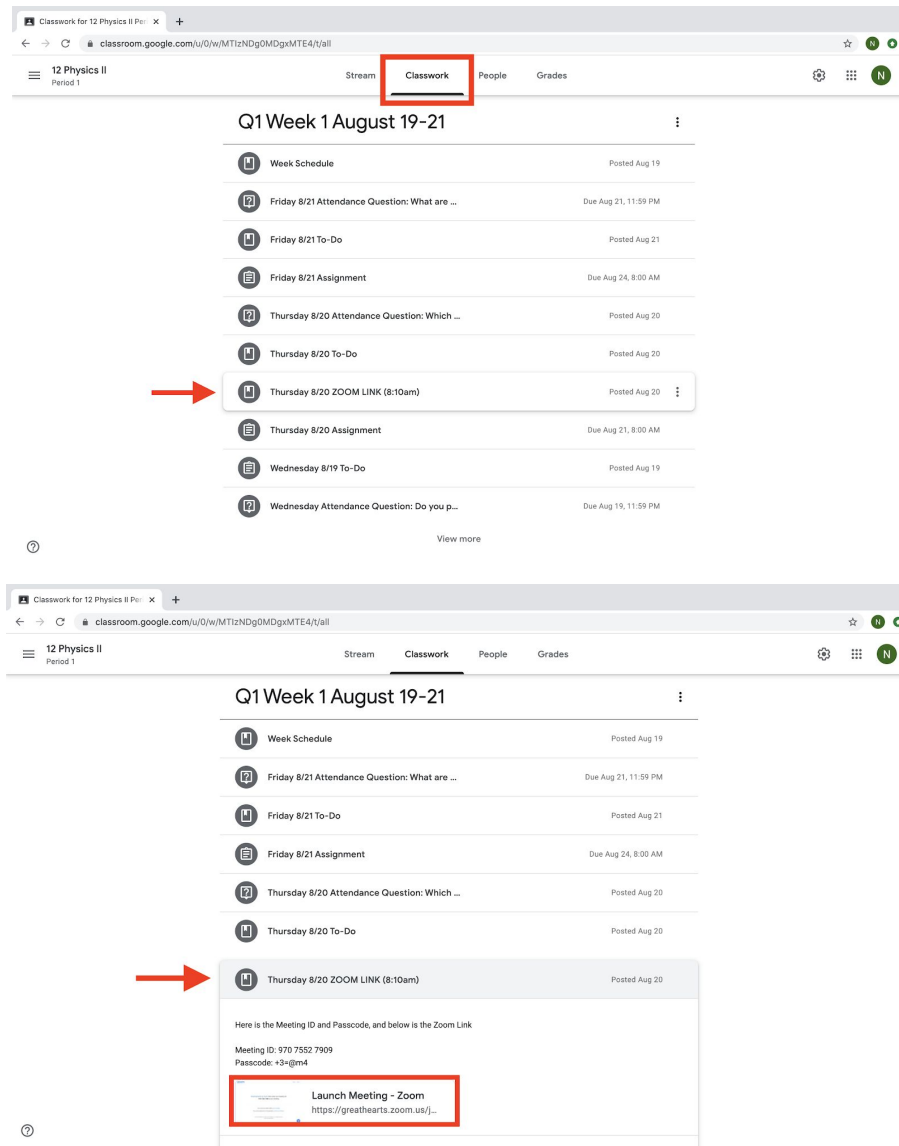

**STEP 2:** When you press the link, this “Open zoom.us” dialogue box pops up asking if you “want to open this application.” Press Cancel.

**STEP 3:** After pressing cancel, click on “join from your browser.” This will redirect your browser to a page that will ask for your name.

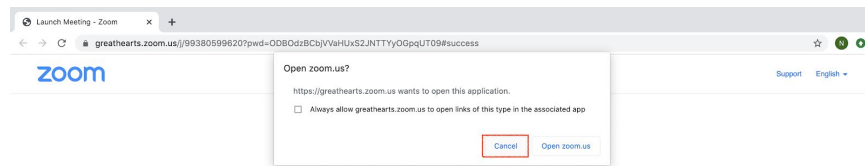

**STEP 4:** Type in the student name as "Mr." or "Miss" followed by the student’s Last Name, confirm you are not a robot, and join the meeting!

## STEP-BY-STEP WITH PICTURES

**STEP 1:** Find the link provided by your teacher under “Classwork” in Google Classroom. Click on the link.

**STEP 2:** When you press the link, this “Open zoom.us” dialogue box pops up asking if you “want to open this application.” **Press Cancel.**

When system dialog prompts, click **Open zoom.us**.

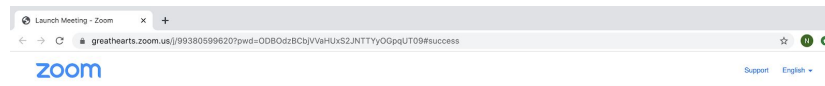

If you have Zoom Client installed, [launch meeting](#). Otherwise, [download and run Zoom](#).

If you cannot download or run the application, [join from your browser](#).
