INSTRUCTIONS FOR TAKE-OUT ORDERS

1. Place your order via the app, the website, one of two indoor kiosks, or at the single cashier.
2. Select **INDOOR PICK-UP**. Shake Shack asks that we please do NOT use the curbside pickup option, so they can reserve that for their non-GHI customers.
3. Provide your name and phone number.
4. Use code **DONATION** as the promo code in order for GHI to get 25% of your purchase.
5. Once your order is ready, you will get a text message.
6. Please park in one of the many unmarked spots in the large shopping center parking lot.
7. Proceed to the front doors of Shake Shack to the order pickup table. Orders will be in brown to-go bags labeled with your name and number. A staff member will be there to help you find your order.

INDOOR-DINING and patio are available at 50% occupancy. We suggest you place your order at cashier or kiosks. **Do not forget to make your meal count**. Enter code **DONATION** or tell the cashier you are with GHI.

Shake Shack is open from 11am to 10pm. You are welcome to park, order your food from your car, and wait until you receive your text. Going earlier in the day or late in the evening will make for a faster pickup! The restaurant is busier during dinner hours so plan accordingly. But even at their busiest, the food comes out pretty quickly!

Thank you for supporting our school!
