

Senior Recognition Ads

A Senior Recognition Ad is a special way for you to celebrate the unique accomplishments of your scholar through the years and send them off with an individualized message of pride and best wishes. You can build your ad within the Yearbook program, or create it in another program and upload the final version to the Yearbook website. We offer Recognition Ads in three sizes and price points (all proceeds seed the following year's Senior Trip):

- Quarter-Page Ad ... \$25
- Half-Page Ad ... \$50
- Full-Page Ad ... \$80

If Parents wish to purchase a Recognition Ad to honor their Senior, please note that **they must be purchased and submitted no later than April 21**. You can purchase and design the Senior Recognition Ad directly from the [Yearbook website](#) and can find more information [about the process here](#). If you have any questions, please contact Miss Brandolini (catherine.brandolini@greatheartssirving.org).
