

Field Day Attire Guidelines

At Great Hearts, we believe that the education of the body is no less important than the education of the mind and heart. Our annual Field Day is a school-wide celebration devoted to physical activity, sportsmanlike competition, and fun. Due to the athletic nature of Field Day, students will be allowed to wear clothing more appropriate to the day. Below are some guidelines we will ask you to adhere to in determining what clothing is acceptable.

Please note that our pop culture policy still applies; conspicuous logos and flashy patterns, colors, and designs are discouraged; and leggings are permitted as long as shorts are worn over them.
