

Total Solar Eclipse Attire Guidelines

The Total Solar Eclipse on **Monday, April 8th, 2024** is a once-in-a-lifetime opportunity to view an extraordinary astronomical event! To celebrate, students will be allowed to wear clothing and costumes related to the eclipse, space, and astronomy!

While students will not be required to wear their school uniforms, all clothing must still be appropriate for school:

✓ Do Wear	✗ Do Not Wear
clothing related to space, celestial bodies, stars, and astronomy	pop culture masks weapons

Please keep in mind the following questions as you decide what to wear:

- Will my child trip?
- Will my child be able to play safely at recess and P.E.?
- Can he/she still use the restroom easily?
- Will my child be comfortable all day?

Students should arrive at school already fully dressed in their eclipse attire and plan to wear them the entire day. Teachers will not be able to assist students with getting into or out of their costumes.
