Online

College Credit Program

Great Hearts Online is partnering with our sister Brick-and-Mortar academies to offer a College Credit Program. Our program will provide Great Hearts High School scholars an exceptional opportunity to earn college credit while completing their general Great Hearts high school courses.

SCAN ME

How it Works

1 Scholars can opt to earn college credit for designated courses by completing the registration process online. Note: Payment is due at the time of registration.

2 Scholars will attend the course at their Great Hearts campus without any changes to the curriculum.

3 Scholars will complete 3-5 college assignments in Canvas, the online Learning Management System. Note: Work and experiences from the Great Hearts course may be used to complete these assignments. (If you are taking Econ in the Fall and plan to take the college course in the spring, save your work!)

4 A Great Hearts Online faculty member, approved by Western Texas College, will grade the assignments based on the rubrics and learning outcomes of the course.

5 Scholars will receive a high school letter grade based on their performance in the Great Hearts course.

6 Scholars will receive a college letter grade based on their performance on the 3-5 assignments in Canvas and completion of the Great Hearts course.

Dates to Remember:

Registration for the upcoming term opens on **September 15th** and will remain open until **January 12th, 2026**. Classes begin on **January 20th, 2026**, and run through **May 6th, 2026**. Be sure to secure your spot before the deadline!
