

How to earn COLLEGE CREDIT

01 DUAL ENROLLMENT

AT A GLANCE

Great Hearts Texas offers dual enrollment in high school through a partnership with **Western Texas College**.

Eligibility: A 3.0+ cumulative unweighted GPA or administrative approval. Students must be passing the high school courses associated with their selected college courses. College benchmarks may be considered.

Cost: \$300 per course.

Credits: 3 credits per course.

Info night: October 21st at 6pm

Registration: Opens Nov. 1 and closes Dec. 4, 2026. Registration link forthcoming.

Course dates: Jan. 27-May 7, 2027, except the course noted at left, which ends June 1.

Your dual enrollment grade will not affect your high school grade or graduation requirements, but it will become part of your permanent **college transcript**. Not every college accepts dual enrollment credit, so check the transfer policies of schools you may attend before enrolling. Students will need to request transcripts from WTC separately from high school transcripts.

PLAN FOR TRANSFER

Students are responsible for researching whether AP, CLEP, or dual enrollment credits will transfer to their future four-year college or university. Ask your College & Career Counselor which option is best for you.

03 AP EXAMS

2027 EXAM SUBJECTS

Physics 1* May 5 · 12 pm

Calculus AB* May 10 · 8 am

Latin May 14 · 12 pm

Location(s) to be determined

Eligibility: All Great Hearts students in grades 9-12.

Cost: \$130 early / \$150 regular, per test.

Credits: 3+ per exam, depending on score and college policy.

Length: 120-180 minutes.

Register: link forthcoming

Location: TBD

Deadlines: Early: Nov. 1, 2026. Final: Mar. 1, 2027.

BEFORE YOU TEST

An AP class is not required to take an AP exam, but Great Hearts courses do not precisely align with AP curriculum, so prepare for the exam. Credit typically requires a score of 3, 4, or 5.

**Physics 1 and Calculus AB are recommended for seniors only.
Acceptance varies by college. Free practice is available through College Board Bluebook.*
